

In two short years, millennials will make up more than half the workforce, and the first wave of Generation Z workers are right behind.

The Puhl / CRRA plan(s) are designed to reach these important employee groups. Now is the time to review your benefit plans to the new employee reality.

The Puhl / CRAA plan(s) are here for you.

Allow us to give you a second opinion on your current group plan.

PLAN CHOICES

Traditional

Designed to provide the employees with the traditional style of group coverage.

Flexible Spending Account

Customized by the employer, with a designed dollar amount for claims, allowing the employee to claim what they need, when they need it.

Hybrid

Designed with the employer to mimic the concept of a traditional plan with the employer control of the flexible plan.

Call today for detailed information on the Puhl / CRRA plan design options!

The Puhl / CRRA Plan

The Puhl / CRRA plan(s) are specifically tailored for the real estate industry. The goal is to help CRRA members create a benefits package to attract and keep the employees needed to run a successful company.

The Puhl / CRRA plan(s) are designed to manage employer costs while delivering quality employee benefits.
